## PRINCIPAL'S MESSAGE:

Hello families,  
We are quickly approaching our Spring Break. We will be **on break from Mar. 29th to Apr. 5th**. So, please enjoy your time with children.

The week we return, **we'll begin the administration or start of the OST testing for spring.**

Parents, we need your help to encourage and remind students about the importance of these test. Please have some conversations with them about setting goals for the scores they want to make, and help them understand how these assessments can impact their future. **Here are some editorial ways to support your child at home:**

1. Make sure your child is coming to school regularly.
2. Make sure you provide a nutritious breakfast & lunch (if your child does not eat the school breakfast or lunch).
3. Please monitor their time on Social Media to make sure your child has plenty of rest.

4. Encourage your child to schedule a meeting with their teacher to request extra help, if needed.
5. Please reach out to your child's teachers with any information that may impact them during testing.

### TEST SCHEDULE

## SEL CORNER:

### We Have Exciting News:

In an effort to increase the supports to our school culture and climate. Mr. Ivan Stewart has partnered with A+ Arts Academy (for all three campuses) to bring ***Social Emotional Learning*** to us all. Our Napoleon newsletter will feature monthly nuggets from his teachings and trainings.

At the Napoleon Campus, we are planning to focus on student needs by providing a 5 week series on Social Emotional Lessons.

Our staff will receive SEL tips, tools, and training to support their academic planning, classroom management, as well as SEL based de-escalation techniques.

And for parents, we are working on establishing a monthly virtual Parent SEL session. We're calling it ***Parent Empowerment Session*** where we allow parents to ask fruitful questions (15 min) and allow 15 min for the sponsor to respond.

Another area we're focus will be to engage and survey our parents & guardians. We'd love to know how we can improve our communication with you!

Our first SEL survey is below. Please scan the QR Code below to complete and submit our first SEL survey.

We want 100% parent engagement with our administration, teachers, and school community. So, we will work with Mr. Stewart to setup Gift Card incentives for those families that are participating consistently with A+ Arts Academy Napoleon campus. Stay tuned for more information on how you can earn free Gift Cards to places such as:

*Tim Horton, Walmart, Amazon, Apple, Visa, and so many more to choose from. Please join our efforts to increase school to home engagement. DO THE SURVEY!*

**MARCH 2024**
