## Principal's Corner

Dear Families,

As we head into the end of the first quarter I want you to be mindful of the huge difference in your individual child's report card and a standardized test report. A wide variety of factors in the classroom that demonstrate proficiency and effort in assignments given.

Now, I want you to understand that we recognize any accomplishments that demonstrate growth and success, but please recognize that grades should mimic results on a standardized test. For example, if your child is receiving A's and also receiving a standardized test report saying that your child is performing two grades below their performance level there is a problem. Teacher-parent communication is crucial through every point of the school year.

Make sure to monitor your child's performance on a daily basis. If you have not heard from your child's teacher, then you need to reach out to them. As a family, we must collaborate to ensure our children's success. I am thankful and appreciative that you are supporting the cause of learning and making our school better than it was for the next generation.

## Hispanic and Latino Heritage Month

Now's the perfect opportunity to say "¡Hola!" to **Storyvoice**, Scholastic's new digital home for free live read-aloud events featuring kid-favorite authors and illustrators. That's because we're celebrating **Hispanic and Latine Heritage Month** with a very special guest: Emmy Award-winning actor/comedian and Scholastic author **John Leguizamo!**

Don't miss this fun-filled and educational showcase of history, culture, and trailblazing that also includes an **all-star lineup of Hispanic and Latine authors**. Mark your calendar for you and your students to experience live in school on **Thursday, October 12, at 11:30am ET.**

## PTO Virtual Meeting

The first PTO meeting will be held on **October 12 at 6:00pm**. The meeting will be held at the link <https://meet.google.com/vri-issg-jdd>  
I hope to see you there.

# Staff of the Month

Ms. Adams is one our most dedicated teachers here at Maybury. She teaches our first grade scholars to be well-behaved and last year her scholars showed a whole years growth in Math. Her love for teaching and her direct instruction stands out from the rest. Help us in congratulating Ms. Adams on her being voted by her colleagues as Staff of the Month.

Great moments during the Student of the Month breakfast celebration.

# Student's of the Month

# Attendance is Important

Attendance is a critical concern: students need to be present to engage with learning as student attendance directly impacts student achievement and graduation. May 26, 2023
