Principal's Corner

As we enter this special time of year, Maybury is making a concerted effort to extend the spirit of gratitude throughout the entire year. We are encouraging all Maybury families to embrace a sense of self-worth and purpose in everything we do. Our goal is to create a lasting sensation of gratitude by dedicating time daily to work with the children we are helping to raise.

I am calling on all Maybury families to commit just 15 minutes each day to engage with your children. Whether it's watching an academic skill video, teaching them how to balance a checkbook, or baking a cake together, every moment spent is an investment in building a better world through our children. The value lies not only in the specific skills imparted but also in the shared experiences that strengthen family bonds.

Let's express our thanks through actions. Learning is at the heart of teaching, and by actively participating in our children's growth, we contribute to a brighter future. I encourage you to share your stories and experiences, creating a community where the spirit of gratitude and continuous learning thrives.

May the year-round commitment to nurturing our children's potential be a source of enduring gratitude for us all.

Staff of the Month

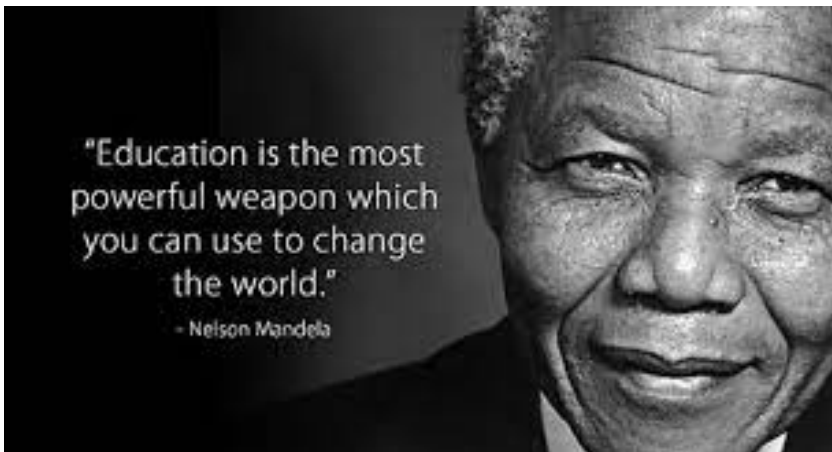

Mrs. Moses is our 3rd grade teacher. She is a hardworking team player here at Maybury. Did you know that she is our school newsletter editor-in-chief? On top of that she managed the Scholastic Book Fair and created our employee badges. Mrs. Moses has been with us for 4 years and loves teaching. Please help us in congratulating her for all that she does for the staff and families of A+ Maybury.
